

TRANSFORMING SPACES FOR FUTURE

Interior Design | Exterior Design | Custom Furniture.

# WHO WE ARE

Your Dream . Our Duty.

The company was founded by Mr. Santosh Suriya, a young talented designer who has creativity with a bulk volume of project management & handover experience with clients.

Over the years, we have expanded slowly but surely due to our credibility, speed, and quality of work.

Our principles are creativity and appropriate interior style to maximize customer satisfaction.

We believe our passion for innovation and perfection will lead us to be one of the best interior design companies in Bangalore.

## OUR APPROACH

We have adopted the 'turnkey approach' to interior design, that is, we both do the design and implementation so that you don't need to worry about anything.

## OUR PHILOSOPHY

Interior design should be about bringing the vision of the client to life. Design can be both aesthetic and functional.

# WHY USE OUR DESIGN SERVICE?

1

## RELIABLE SOURCING

Our team is vastly experienced in planning and tracking materials and accessories needed in interior design. Our Purchase team liaises with quality vendors to provide you with top quality materials.

2

## TURKEY + PROJECT MANAGEMENT

Architects/Designers are a part of the team. So it is very easy to coordinate the planning and designing to keep it consistent with the home design concept as discussed with you.

3

## SINGLE POINT OF CONTACT

You don't need to go running around trying to contact interior designers, decorators, architects and vendors. We do it all for you! You just need to keep in touch with us.

4

## TIMELY DELIVERY

We pride ourselves on completing interior design projects on time and within the budget as agreed with you. Our interior design solutions are always of the best quality and will remain fresh for a long time.

Imagine Interiors is a one-stop company for Interior Design, Turnkey Fit Out, Space Planning, Project Management,
